

Agritourism and Recreational Services in Idaho

Idaho farms and ranches offer a variety of agritourism experiences including u-picks, wine tasting, farm stays, dinners, festivals and other on-farm events, and recreational activities such as hiking and hunting. In 2017, more than 100 Idaho farms earned up to \$4,999 from agritourism and recreational services while nearly 40 farms earned \$25,000 or more.
