

Idaho Women Farmers & Ranchers with Children Under 18 Years Old

Idaho women farmers and ranchers have a variety of roles and responsibilities on their farm operations, including raising children. More than half of survey respondents have no children under 18 years old living at home and about 20% of respondents have 3 or more children under 18 years old living at home.

How many children (under 18 years old) do you have living at home?

Total Question Responses: 482

How many of your children are under 5 years old?

Total Question Responses: 225

	None	1	2	3	4
Children under 5 years old	139	37	36	10	3

In Spring 2021, the Idaho Women in Ag Research Team conducted a statewide survey to better understand the challenges and opportunities facing Idaho's women in agriculture and how educational programs can better support them. More than 400 women completed the full survey.
