

Idaho Farm & Ranch Women: Expanding Idaho Farm or Ranch Operations

Idaho's women in agriculture own and operate a wide variety of farm and ranch enterprises. Nearly 80% of survey respondents indicated that they plan to expand their farm or ranch operation or might expand their farm or ranch operation, if factors like land and finances allow, in the next 5 years. The other 20% of respondents do not plan to expand their operation.

Do you plan to expand your farm or ranch operation in the next 5 years?

Total Responses: 535

In Spring 2021, the Idaho Women in Ag Research Team conducted a statewide survey to better understand the challenges and opportunities facing Idaho's women in agriculture and how educational programs can better support them. More than 400 women completed the full survey.
