

Idaho Farm and Ranch Women Survey

In 2020, did you personally have another job, business, or other source of earned income other than farming or ranching?

Total Question Responses: 545

On average, how many hours per week did you devote to farming or ranching and how many hours per week did you work generating income not associated with your farm or ranch in 2020?

Total Question Responses: 555

In Spring 2021, the Idaho Women in Ag Research Team conducted a statewide survey to better understand the challenges and opportunities facing Idaho's women in agriculture and how educational programs can better support them. More than 400 women completed the full survey.
